

Support Women & Hi Tech!

Women & Hi Tech exists to change the landscape of women represented in STEM to be equally inclusive to all. To achieve that goal, we work to connect female STEM professionals with each other and our community in Indiana. Our members and sponsors represent a wide array of STEM fields, including life sciences, accounting, engineering, psychology, statistics, and information technology. They work as engineers, analysts, scientists, business developers, marketers, educators, and more.

We offer sponsors the opportunity to activate memberships for employees in their organization through their sponsorship, leading to immediate and tangible improvements in company culture. 20% of the corporate sponsorship funds that are donated are earmarked for scholarships to develop future innovators that a sponsor might just end up learning from. All contributions are tax deductible. Further, by sponsoring Women & Hi Tech, a business earns their employees access to a network of collaborators and friends who will keep them motivated and excited about their job.

- Sponsoring Women & Hi Tech earns you an immediate return on investment by improving female STEM professional job satisfaction at your company.
- Sponsoring Women & Hi Tech means sponsoring the future of STEM, both in Indianapolis and nationwide as talented students grow here and move on.
- Sponsoring Women & Hi Tech is a sign of your desire to broaden the playing field and diversify STEM industries.

Women & Hi Tech offers several levels of corporate and collegiate sponsorship, each offering varying levels of:

- Individual memberships for employees
- Advertising opportunities at events and in Women & Hi Tech communications
- Your organization's logo on the Women & Hi Tech website
- Scholarship contribution (20% of select corporate commitments are earmarked for scholarships)
- Presentation opportunities
- Leading Light Awards tables/tickets, event recognition, and award or scholarship presentation opportunities

Women & Hi Tech was founded in 1999 and is a 501(c)3 charitable organization. All donations are tax-deductible to the extent allowed by law. Federal ID Number: 35-2113596.
